

## Choosing a Name for a LLC

### Pyle & Dellinger, PL

NAME OF LIMITED LIABILITY COMPANY

LIMITED LIABILITY COMPANIES

(One that does not provide professional services requiring a license)

The name can be anything, so long as it is not already taken. We check the records before filing to make sure it is not already taken.

Must contain one of the following choices as the last words of the name:

limited liability company

limited company

L.L.C. or LLC

L.C. or LC

The word "limited" may be abbreviated as "Ltd.," and the word "company" may be abbreviated as "Co."

If you do not want to have this designation on your sign, your business cards, your invoices, your letterhead, etc., you should also file a fictitious name registration whereby your L.L.C. does business by the same name without the designation at the end.
